

A&U Dental Terms and Conditions

Terms of service

At A&U Dental, we constantly endeavour to provide the highest quality service. This agreement provides further details of our terms and conditions of service. As a patient of A&U Dental, we ask that you agree to follow these terms and conditions.

Treatment planning

Once your treatment plan has been agreed upon with the Dentist or Dental Specialist, we will provide details of your treatment plan. If this plan changes due to radiographic or clinical findings, we will inform you and discuss this with you. Treatment plans and fees are valid for 90 days from the date the treatment was prescribed. If you wish to query any points on your treatment plan, please do not hesitate to ask us before booking the appointments for actual treatments.

Consent forms

Specific treatments require the completion of a written consent form. This explains the treatment, aftercare, any risks and benefits to you thoroughly before any of these treatments are carried out.

Consent for any treatment can be withdrawn at any point by the patient or dental professional.

Fees

The final balance for treatment is due on the day the treatment is provided. A minimum of 50% of any future appointment fee is required when booking an appointment. We do not operate an account in an arrear's facility, and we need payments to be settled at the appointment where treatment is provided. Where treatment incurs a laboratory fee, a minimum of 50% of the total cost is due at the appointment when impressions are taken. For specific treatments like Dental Implants and Invisalign, fees are taken in staged payments and at each visit outlined in your treatment plan.

Fees for treatment where intravenous sedation is included must be settled before the appointment to avoid financial transactions or signatures being required whilst a client is still under the influence of the sedative.

In cases where treatment is paid for on finance through a Finance company, please be aware that the finance agreement must be accepted and signed before starting that treatment. Please note that finance is only available on treatments over £250.00, not including Emergency Dental Treatment, and that a minimum deposit may also be required.

If you have financed any of your treatment costs through the finance company and wish to cancel your treatment after signing the agreement forms, please be aware that a cancellation fee of up to 15% of the total finance amount will be charged.

A&U Dental reserves the right to charge time-based deposits for booking future appointments. Deposits are deductible from the cost of treatment.

Payment methods accepted are: Cash, Debit/Credit Card, Stripe

A&U Dental does not accept any payments by cheque. Please note that unpaid accounts are routinely referred to a Debt Collection Agency or the Small Claims Court, and we reserve the right to recover all costs incurred in doing so.

Late cancellation or missed appointments

We require a minimum of 2 business days' notice to cancel an arranged appointment with our General Dentist or Hygienist, and 3 business days' notice is required for a set appointment with our Specialist Dentists.

When we schedule an appointment for a patient, we book the surgery time off for that patient's treatment. Failure to give the appropriate notice of cancellation or not attending your appointment may result in a Failed Appointment Fee

being charged. This fee is charged per 30 minutes of the appointment failed and covers the cost of the surgery time wasted.

The cancellation fees are:

LATE CANCELLATION OR FAILED APPOINTMENT FEES	APPOINTMENT SCHEDULED FOR 30 MINUTES OR LESS	APPOINTMENT SCHEDULED BETWEEN 30-60 MINUTES	APPOINTMENT SCHEDULED 60 MINUTES AND OVER
Dental Hygienist	£30.00	£60.00	+£30.00 per 30 minutes

Please note it is also down to the clinic discretion if further appointments can be booked for any late cancellations or missed appointments.
